1. On the cutout of the Working Class, why are Slim and George at the top? If Curley is the boss's only son, why isn't he at the top of the "C Class"? Why is Lennie at the bottom of the "C class"?

2. The names of characters usually match up with the names of their social class. Why isn't there a character whose name begins with an A?

3. What things are needed for independence to occur?
